

Eine Studentische Hilfskraft im Bereich IT (m/w/d)

Friedrich-Alexander-Universität, Erlangen, Part time, Temporary employment: until 30.03.2027,
Bewerbungsschluss: 01.03.2026

Your Workplace

Chair of Aroma and Smell Research, Department Chemistry and Pharmacy

Benefits: We Have a Lot To Offer

- Wissenschaftsnaher Beschäftigung mit interessanten Einblicken in den Forschungsbetrieb
- Erweiterung der Berufserfahrungen
- Zeitliche Flexibilität

Your Tasks

- Maintenance and support of the local IT infrastructure (workstation and laboratory computers, peripheral devices)
- Installation, configuration, and updating of operating systems and domain-specific software (e.g., measurement, data analysis, and statistical software)
- Technical support for academic staff and students (first-level support, troubleshooting, documentation)
- Participation in the implementation, optimization, and documentation of workflows for data acquisition, processing, and analysis
- Optimization, maintenance, and administration of the chair's website
- Support in the implementation of IT security measures (e.g., updates and patch management)
- Involvement in the procurement, installation, and commissioning of new IT hardware and software
- Acting as an interface between the chair, the central university IT services, and external service providers

Your Profile

- Degree program in IT or a related field
- Ideally, experience in hardware setup, software installation, and network administration
- Very good German and English language skills
- Strong organizational skills, ability to work in a team, and a high level of initiative
- Enrollment at FAU (Friedrich-Alexander-Universität Erlangen-Nürnberg)

Additional Information

- The position is limited to a fixed term of one year.
- This is a part-time position (4 hours per week); working hours to be arranged by mutual

agreement.

- Expected starting date: 1st April 2026
- Remuneration according to the applicable regulations of FAU.
